

Serving Families With Special Needs

David Miranda

Assistant Vice President/ATM Services & Cash Logistics

“My initial role model was my mother, growing up she selflessly gave what little she had to improve the world we lived in. Now, alongside my wife Ester and children, I find joy in volunteering and serving various communities. Being a parent to a son, Kal-El, with special needs has made my involvement in Special Reach particularly meaningful. I aspire to make a positive impact in any way I can.”
