You are invited to play a part in enriching the lives of children with special needs in San Antonio. Our *Reaching Greater Heights Gala* typically raises one-third of our annual budget, and we need your financial support to continue to meet this growing need in our community.

Special Reach was founded in 2011. Born out of a desire to enrich the lives of families of children with special needs through unique respite programs, we began with five children and a four-day program. In 2018 alone, 838 children attended our year-round programs. Our ever-popular Summer Enrichment and holiday programs along with our fun-filled Party Nights (Parents' Night Out) have definitely added value to the lives of children with special needs in San Antonio.

*Proceeds will fund programs that benefit families of children in San Antonio with special needs such as autism, Down syndrome, cerebral palsy, intellectual disability, and more.*

#### WHAT MAKES US TRULY SPECIAL?

- No child is turned away for financial reasons.
- All Special Reach programs are staffed with highly trained personnel, such as state certified special education teachers, speech pathologists, etc.
- Our themed "Party Nights" are packed with fun activities exclusively for children with special needs and their siblings, giving parents/caregivers some well-deserved respite.
- Our Summer Enrichment and holiday programs feature guests that expose the children to a wide range of unique experiences.
