You are invited to play a part in enriching the lives of children with special needs in San Antonio. Our *Reaching Greater Heights Gala* raises a significant portion of our annual budget, and we need your support in the form of a contribution to continue to meet this growing need in our community.

Special Reach was founded in 2011. Born out of a desire to enrich the lives of families of children with special needs through unique programs, 1,281 children attended our year-round COVID-19 Relief Programs in 2020. This is a 40% increase from 2019 despite the impact of the pandemic. Our ever-popular Summer Enrichment, San Antonio Adventure program and our fun-filled Party Nights (Parents' Night Out) as well as our COVID-19 relief programs have definitely added value to the lives of children with special needs in San Antonio.

Proceeds will fund programs that benefit families of children in San Antonio with special needs such as autism, Down syndrome, cerebral palsy, intellectual disability, and more.

WHAT MAKES US UNIQUE?

- No child is turned away for financial reasons.
- All Special Reach programs are staffed with highly trained personnel, such as state certified Special Education teachers, Speech Pathologists, etc.
- Our exclusive programs provide the children with a wide range of unique experiences.
- Our COVID-19 relief programs have a positive impact on children with special needs and their families.
