

Serving Families With Special Needs

Sundra Stockl

Community Volunteer

"In 2009, my life connected with the vibrant spirit of a remarkable young woman named Emily. Despite facing health challenges and developmental disabilities, Emily radiated joy, always sharing contagious smiles and warm hugs. Her 25 years on this earth left a lasting impact, teaching me invaluable lessons about living with positivity, kindness, and courage. This meaningful encounter led me to Special Reach, a community dedicated to embracing and serving individuals like Emily. I count it as a blessing to contribute to this organization, learning from its mission and actively serving a community that exemplifies resilience and strength."

Professional Profile:

Originally from Brazil, I embarked on a journey that took me to Germany, where I met my husband. After running a business in Brazil, our adventure continued as we moved to the United States in 2001 for my husband's work with P&G. Over the years, our family has traveled across the country, and we have made San Antonio our cherished home.

With a passion for giving back, I have dedicated my time to various volunteer efforts. In Ohio, I lent a helping hand at the Over the Rhine Soup Kitchen, while in Minnesota, I served as a crisis counselor at Crisis Connection. Closer to home, I've been involved in community service, cooking and serving food, and contributing at our local church.

As a board member of this esteemed charitable organization, I am committed to leveraging my diverse experiences and deep-rooted belief in community service to further the impactful work of Special Reach. Together, let us continue making a positive difference in the lives of those who inspire us daily.
