You are invited to play a part in enriching the lives of children with special needs in San Antonio. Our *Let's Stand Together fundraiser* is replacing our annual gala in 2020. It raises a significant portion of our annual budget, and we need your support in the form of a contribution to continue to meet this growing need in our community.

Special Reach was founded in 2011. Born out of a desire to enrich the lives of families of children with special needs through unique respite programs, we began with five children and a four-day program. In 2019 alone, 915 children attended our year-round programs. Our ever-popular Summer Enrichment and San Antonio Adventure programs along with our fun-filled Party Nights (Parents' Night Out) have definitely added value to the lives of children with special needs in San Antonio. Our new social distancing programs are enriching very special lives during the COVID-19 pandemic.

Proceeds will fund programs that benefit families of children in San Antonio with special needs such as autism, Down syndrome, cerebral palsy, intellectual disability, and more.

WHAT MAKES US UNIQUE?

- No child is turned away for financial reasons.
- All Special Reach programs are staffed with highly trained personnel, such as state certified Special Education teachers, Speech Pathologists, etc.
- Our exclusive programs provide the children with a wide range of unique experiences.

Proceeds will fund programs that benefit families of children in San Antonio with special needs such as autism, Down syndrome, cerebral palsy, intellectual disability, and more.
